

Announcing New Acxiom Background Check Program

Acxiom has established a customized background check program that will aid you in your efforts to **reduce employee turnover, decrease training costs and increase productivity while protecting the integrity of your institution.** Acxiom enables organizations to more efficiently verify the most qualified candidates and avoid bad hires by providing clients with the most comprehensive, up-to-date and therefore legally insulating background information available.

Acxiom is committed to accommodating your evolving background screening needs with the latest technology options and a fully diligent solution that helps to ensure you are creating and maintaining the most consistent, legally defensible background screening program possible. Acxiom provides multilayer, 100% in-person / real time FCRA-compliant reports including but not limited to:

- Identity Verification
- Credit Reports
- Criminal Record Checks
- Federal Exclusion List Checks
- Drug Testing
- Sexual Offender Checks
- Driving Records
- Media Searches
- Employment, Education and License Verifications
- National Criminal File Checks

The Acxiom Advantage

- Single source solution
- 100% in-person / real-time criminal record searches
- Unsurpassed turnaround times and hit rates
- FCRA and state compliance expertise
- Certified legal professionals to interpret criminal records
- Non-stop, 24-hour-per-day production
- Helpful court notifications / alerts
- Fully endorsed by RYAN Associates / NAOHP

Easy and Convenient Account Registration

Setting up an account with Acxiom has never been faster or more convenient. Registration can be completed in one easy step:

- Go to www.naohpbackgrounds.com and provide the account information requested.

Once the above item has been completed, in a few short business days you may begin requesting background checks. It's that simple.

Ingenuity First™
